Cochise County Board of Supervisors,

As you consider the future of Old Divide Road, I respectfully request you consider the greater good of Cochise County residents. I am confident you will have a great number of residents of West Boulevard and the Divide at the meeting today who have experienced an increased quality of life with the closure of this road. Although I understand and respect their position I look at the greater good of those who may rely on this as an alternate route should an emergency arise. I am aware of the tunnel previously being blocked by accidents during which Old Divide Road was vital for emergency services. I respectfully request you consider the greater good of the health, safety and security of our citizens as you vote on the future of this road.

Respectfully submitted,
Jennifer L. Graeme
