Supervisor District 1

Pat ~ Please accept my resignation from the Cochise County Public Lands Advisory Committee as of today Jan. 4, 2011. Increasing business obligations make it impossible for me to attend PLAC meetings and participate in a manner that the position deserves. I believe that issues that PLAC considers and the recommendations PLAC passes on to the Supervisors are very important and deserve appropriate attention from PLAC members. I recommend that John W. Ladd and/or Mike Hayhurst, both ranchers who utilize AZ State Lands and/or BLM lands in their operations, be contacted and considered to fill PLAC vacancies from District 1.
