Approve the award of Invitation for Bids (IFB) No. 11-44-HFP-04 for Concrete and related items to various vendors in the estimated amount of \$100,000 for the period of July 1, 2011 through June 30, 2012 for the Highway and Floodplain Division.

Background:

The purpose of this bid is to provide concrete and related items for various road maintenance projects to be performed by the Highway and Floodplain Division.

IFB No. 11-44-HFP-04 was prepared and released on April 26, 2011. The bid was advertised in the San Pedro Valley News from May 4-11, 2011. Bid notices were mailed to 19 bidders registered in the Procurement database and the bid was posted on the County Procurement website. Four bids were received by the IFB closing date and time of May 26, 2011, 4:00 p.m. The Procurement Department and Highway and Floodplain Division has evaluated all bids received in accordance with the bid specifications. The terms of the bid stated that the County's intent was to make multiple awards as may be required considering geographical locations and delivery charges. The evaluation of bids and recommendation of award considered this criteria to determine the overall lowest costs. A bid tabulation is attached. Contracts will be issued based on the price per yard, distance from vendor location to project site, delivery charge and availability. It is recommended that a contract be awarded to all four vendors as follows:

Cemex Materials, Sierra Vista, AZ

Klump Materials, Bowie, AZ

Maddux & Sons, Inc., Douglas, AZ

Willcox Rock and Sand, Inc., Willcox, AZ

Department's Next Steps (if approved):

Execute contracts. Process purchase orders as required. Monitor performance of contracts.

Impact of NOT Approving/Alternatives:

Procurement would be required to obtain quotes every time there was a need for concrete, which would result in possibly higher prices, and additional workload for both the Procurement and Highway and Floodplain Division.

To BOS Staff: Document Disposition/Follow-Up:

Contracts signed by vendors will be hand carried to the Clerk of the Board.

Approve Purchase Order #E1H38381, for IGA# HG854282, Immunization Program, between the Arizona Department of Health Services and the Cochise County Health Department, in the initial amount of \$17,335 for the period of 1/1/11 – 12/31/11.

Background:

The Health Department has received funds for its Immunization Program since 1993 to deliver immunization services to County residents. The State provides the vaccine to us free of charge. The grant funds pay for management, staffing, and operating costs of this program.

Our services, which are free for all children, include: immunizing children against vaccine preventable diseases during the course of their childhood, maintaining their vaccination records in accordance with state and national requirements, and assisting school age children with required vaccinations in order to meet school registration and advancement requirements. The Public Health Nurses at all five Health Department locations conduct regular clinics weekly (which are heavily attended), in addition to monthly evening clinics, year round.

The most recent IGA Amendment provided a price sheet which denotes reimbursement rates per visit. The total expected amount available for payment during this grant year (\$86,273) has not changed. This purchase order denotes the initial amount payable (\$17,335). The state has notified our program that the remaining expected funds will be available to counties after the state's budget process has been completed and before the end of the contract period.

Department's Next Steps (if approved):

Your approvals are respectfully requested.

Impact of NOT Approving/Alternatives:

Cessation of the Immunization Program for Cochise County children.

Approval of Purchase Order #E1H38381, for IGA# HG854282, Immunization Program, between the Arizona Department of Health Services and the Cochise County Health Department, in the initial amount of \$17,335 for the period of 1/1/11 – 12/31/11.

Background (Brief):

The Health Department has received funds for its Immunization Program since 1993 to deliver immunization services to County residents. The State provides the vaccine to us free of charge. The grant funds pay for management, staffing, and operating costs of this program.

Our services, which are free for all children, include: immunizing children against vaccine preventable diseases during the course of their childhood, maintaining their vaccination records in accordance with state and national requirements, and assisting school age children with required vaccinations in order to meet school registration and advancement requirements. The Public Health Nurses at all five Health Department locations conduct regular clinics weekly (which are heavily attended), in addition to monthly evening clinics, year round.

The most recent IGA Amendment provided a price sheet which denotes reimbursement rates per visit. The total expected amount available for payment during this grant year (\$86,273) has not changed. This purchase order denotes the initial amount payable (\$17,335). The state has notified our program that the remaining expected funds will be available to counties after the state's budget process has been completed and before the end of the contract period.

Agenda Item Text:

Approve an Intergovernmental Agreement between Tombstone Unified School District (TUSD) and the Cochise County Board of Supervisors (BOS) which will provide for a Technology Integration Specialist (TIS) who will be housed and report to the County School Superintendent.

Background:

The Statewide Instructional Technology (SIT) Grant provides funds for salary and benefits for a Technology Integration Specialist who serves the school districts in Cochise County. For the past eight years, we have had an IGA with Ft. Huachuca Accommodation School District (FHASD) to reimburse them for the salary and benefits of one of their teachers who was assigned to work for us. She has decided to return to the classroom and Ben Reyna, a teacher in Tombstone, has accepted the TIS position. We are entering into the same agreement that we had with FHASD. Ben will be paid by TUSD, will work for the CSS and will be able to return to the classroom at the end of the grant period. The IGA was reviewed and revised by Terry Bannon in the County Attorney's office and is on the agenda to be approved by the TUSD Governing Board.

Department's Next Steps (if approved):

Provide support for the TIS.

Impact of NOT Approving/Alternatives:

No TIS to provide services for our schools

To BOS Staff: Document Disposition/Follow-Up:

The IGA is being signed by the Tombstone Board on Wednesday and 4 originals will be sent to you for the BOS president's signature. Keep one copy and return 3 to me.

**INTERGOVERNMENTAL AGREEMENT
BETWEEN THE COCHISE COUNTY SCHOOL SUPERINTENDENT'S OFFICE AND
THE TOMBSTONE UNIFIED SCHOOL DISTRICT**

The Cochise County School Superintendent's Office (the CCSSO) and the Tombstone Unified School District (the TUSD) (hereinafter the Parties) have authority to enter into this Intergovernmental Agreement pursuant to A.R.S. §11-952 et seq.

The CCSSO has the need for the services of a Technology Integration Specialist and the TUSD can provide such services in the form of a loaned employee, Ben Reyna.

The Parties agree to the following:

This Agreement between the CCSSO and the TUSD is hereby entered into pursuant to A.R.S. §11-952 et seq. The CCSSO is authorized to enter this Agreement pursuant to A.R.S. §15-203. The TUSD is authorized to enter this Agreement pursuant to A.R.S. §15-342.13.

1.0 **Purpose**

The purpose of this IGA is to make available the services of a Technology Integration Specialist from the TUSD to the CCSSO in the form of a loaned employee, Ben Reyna, for a period of one year under Arizona's Statewide Instructional Technology Program.

2.0 **Terms and Conditions**

The Parties agree the following terms and conditions shall apply to this IGA.

2.1 This Agreement shall take effect on July 1, 2011, and shall remain in effect from that date until June 30, 2012, unless terminated sooner or extended as provided herein.

2.2 The CCSSO, in its sole discretion, shall have the option to renew this Agreement in increments of one year or less, based upon the availability of funding from the grantor Arizona Department of Education (ADE).

2.3 Either party may cancel this agreement upon thirty (30) days prior written notice.

3.0 **Rights and Responsibilities**

3.1 The TUSD shall release Ben Reyna from his full time teaching contract and regular classroom duties so that he may be assigned exclusively to participate in the Statewide Instructional Technology Program as a Cochise County Technology Specialist for the program year of 2011-2012.

3.2 Loaned employee's assignment to the CCSSO shall be for a period of time as required by the CCSSO.

3.3 Loaned employee shall be permitted to preserve his employment contract with the TUSD and shall be paid by the TUSD. The TUSD shall make available, at the same rate as available to other employees of the TUSD, all monetary and negotiated fringe benefits normally provided to its full time teaching faculty.

3.4 Upon completion of this agreement, the loaned employee shall return to a full time assignment with the TUSD subject to all the TUSD's employment policies and procedures.

3.5 The CCSSO shall not be directly responsible for salary costs or the costs of employment related benefits, including but not limited to: worker's compensation, state and federal taxes, social security, unemployment benefits, health benefits, long term disability, etc. The TUSD agrees to be recognized as the employer of record for all such purposes.

3.6 For the initial contract year 2011 to 2012, the TUSD shall provide loaned employee with an addendum contract to adjust his annual salary to the amount of \$44,000.00 for the Statewide Instructional Technology Program year, plus applicable employee benefits.

3.7 The CCSSO agrees to reimburse the TUSD for the loaned employee's addendum contract, plus applicable employee benefits, referred to in section 3.6. The CCSSO further agrees to reimburse loaned employee directly for costs normally associated with this project assignment such as mileage, travel expenses, lodging, per diem and other applicable expenses.

3.8 The CCSSO shall arrange for office space, equipment and supplies for loaned employee at the CCSSO site. Office space, equipment, supplies and other forms of support and assistance are the subject of the original and/or amended Statewide Instructional Technology proposal document.

4.0 **Payment to the TUSD**

Total payments to loaned employee under this Agreement shall not exceed \$44,000.00 in salary, plus associated benefits for the period of July 1, 2011 through June 30, 2012. Periodic interim payments shall be made in accordance with Cash Management reports which the CCSSO submits monthly. These payments are from Title II, Part D, Enhancing Education Through Technology, reference the Statewide Instructional Technology Program.

7.0 **Assignment or Delegation**

No right or interest in this Agreement shall be assigned without the prior written permission of the other party. Nor shall there be a delegation of any obligation owed, or the performance of any obligation, without a prior written agreement between the Parties.

8.0 **Breach and Cancellation**

Failure by the CCSSO and/or the TUSD to provide the services or obligations set forth in this Agreement shall constitute a breach. Either Party may, at its option, cancel this Agreement after written notice to the other Party. A determination to cancel this Agreement does not waive any other remedy which the TUSD may have under state or federal law.

9.0 **Confidentiality**

The Parties agree to comply with the federal Family Educational and Privacy Rights Act of 1974 as well as A.R.S. §15-141(A).

Agenda Item Text:

Approve the over-the-counter sales of tax deed properties remaining unsold following the June 6, 2011 Land Auction in the amount of \$10,700 as set forth in the attached Parcels Sold Report, plus administrative fees of \$600.

Background:

Following the June 6, 2011 land auction, staff immediately posted the Unsold Parcels on the county's website and began accepting over-the-counter (OTC) bids. The OTC bids received to-date total \$10,700, plus \$600 in administrative fees, for a total of \$11,300 in additional income to the General Fund. These OTC sales, if approved, when added to the Auction proceeds of \$80,900 equal a year-to-date total of \$92,200 in sales.

Our 10-11 Fiscal Year target was \$100,000. We will continue to accept OTC bids on the remaining properties. This year's Auction list initially had 1,857 parcels on it; there are less than 100 parcels remaining unsold.

Department's Next Steps (if approved):

Deposit checks. Ensure all notarized forms required are received. Once funds have cleared, issue deeds.

Impact of NOT Approving/Alternatives:

The General Fund will not receive the additional \$11,300 in revenue from OTC sales and the parcels will not be returned to the tax roll.

Regular Board of Supervisors Meeting

Approve 6.6.11 Tax Deed Land Sales

Submitted By: Arlethe Rios, Board of Supervisors

Department: Board of Supervisors

Presentation: No A/V Presentation

NAME of PRESENTER: Katie Howard

Recommendation:

of ORIGINALS Submitted for Signature:

TITLE of PRESENTER: Clerk of the Board

Mandated Function?:

Source of Mandate or Basis for Support?:

Agenda Item Text:

Approve the winning bids from the Cochise County Tax Deed Land Auction of June 6, 2011, subject to the Terms and Conditions of the bids, as posted on the County's website.

Background:

The Board of Supervisors office conducted its 2011 Land Auction. In sum, proceeds from the sale were \$80,900, including admin fees of \$1,575. There were 21 successful bidders who purchased a total of 1,725 parcels/units.

Attached to this board item is the Payment Method Report, showing how our bidders paid for their properties; a SOLD parcels report and an UNSOLD parcels report. The UNSOLD parcels report shows that there were 132 parcels remaining for Over-The-Counter purchase at the conclusion of the sale.

Department's Next Steps (if approved):

The 2010-11 FY targeted revenue from Tax Deed Land Sale proceeds was \$100,000. This sale comprises 80% of that target. Additional bids for over-the-counter sales are also presented separately on today's agenda. Once the sales from the Auction are approved, and if the over-the-counter sales are also approved at the bid amounts, we will have achieved 92%+ of our annual target, despite the delay in holding the auction this year. This revenue is credited to the General Fund.

Impact of NOT Approving/Alternatives:

Winning bids would not be approved.

To BOS Staff: Document Disposition/Follow-Up:

After confirmation of cleared funds and receipt of required forms, issue deeds to purchasers of property. Update Unsold Properties list and post to the website; continue soliciting over-the-counter bids on unsold properties.

Approve the award of Invitation for Bids (IFB) No. 11-48-HFP-04 for Hot and Cold Mix Road Materials to Granite Construction in the estimated amount of \$325,000 for the period of July 1, 2011 through June 30, 2012 for the Highway and Floodplain Division.

Background:

The purpose of this bid is to provide hot and cold mix road material for various road maintenance projects to be performed by the Highway and Floodplain Division.

IFB No. 11-48-HFP-04 was prepared and released on May 3, 2011. The bid was advertised in the San Pedro Valley News from May 11-18, 2011. Bid notices were mailed to 15 bidders registered in the Procurement database and the bid was posted on the County Procurement website. Two bids were received by the IFB closing date and time of May 26, 2011, 4:00 p.m. A bid tabulation is attached.

Department's Next Steps (if approved):

Execute contract. Process purchase orders as required. Monitor performance of contracts

Impact of NOT Approving/Alternatives:

Procurement would be required to obtain quotes every time there was a need for hot and cold mix road material which would result in possibly higher prices and additional workload for both the Procurement and Highway and Floodplain Division.

To BOS Staff: Document Disposition/Follow-Up:

Contract signed by vendor will be hand carried to Clerk of the Board

Approve Amendment #13 to Cochise County Contract for Professional Services #1306 for additional construction administration services for the Medium Intensity Runway Lighting and Signage Upgrade Project at the Cochise County Airport, increasing the Contract Amount by \$6,956.

Background:

To ensure no disruptions occurred in the third phase of the Cochise County Airport MIRL and Signage Upgrade Project, Stantec Consulting has provided additional construction administration services by having the project engineer serve as the job site inspector during construction. The project engineer made seven more site visits (to include final inspection), provided additional design work for taxiway thresholds, and provided additional coordination with the construction contractor. Approval of Amendment #13 to Cochise County Contract for Professional Services will compensate Stantec Consulting for additional services provided to complete the project.

Department's Next Steps (if approved):

Stantec will proceed with the final inspection and close out the project.

Impact of NOT Approving/Alternatives:

Stantec will not be compensated for the additional services provided, which ensured full completion of the project.

To BOS Staff: Document Disposition/Follow-Up:

Two originals of the amendment will be provided to the Clerk of the Board. After formal Board approval and signature by the Chairman, please return one original to the grants office. Thank you for your assistance.

AMENDMENT No. 13
Cochise County Contract for Professional Services #1306

WHEREAS, The Cochise County Board of Supervisors (hereinafter referred to as “the BOARD”), has determined it to be in the best interest of the County that the Professional Services Contract between the BOARD and Stantec Consulting Incorporated (hereinafter referred to as “the CONTRACTOR”), entered into on December 27, 2005, be amended as hereinafter provided.

NOW THEREFORE, WITNESSETH;

That in consideration of the benefits to accrue to parties hereto, both the BOARD and the CONTRACTOR hereby mutually agree to the following amendments:

1. To amend Page One, Paragraph One (1), that the Scope of Work and certain other portions of the Cochise County Request for Proposals #1306, incorporated by reference into this Contract, are hereby amended by the addition of the following term:

The CONTRACTOR promises and agrees to provide additional construction administration services for the Medium Intensity Runway Lighting and Signage Upgrade project at the Cochise County Airport as described in the CONTRACTOR’S request to increase contract number 1306 for additional services under Exhibit A and Letter dated May 10, 2011. The terms of the Request for Proposals #1306, the CONTRACTOR’S response, and the Scope of Work are incorporated herein by reference and such terms are made a part of the CONTRACT as if the same were set forth full herein. Provided that in the event that any such incorporated term may be inconsistent with an express term of the CONTRACT and the Scope of Work, the latter two shall prevail.

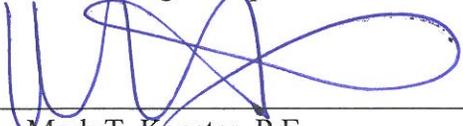

2. To amend Page One, Paragraph Five (5) of the Contract, the paragraph shall now read:

5. The BOARD will compensate the CONTRACTOR for its performance, and the CONTRACTOR agrees to accept as complete payment for such full performance, the sum not to exceed Four Hundred and Thirteen Thousand, Nine Hundred and Eighty Dollars (\$413,980.00) for all work under this CONTRACT as amended. Amendment Number 13 to the CONTRACT increases the CONTRACT amount by Six Thousand, Nine Hundred and Fifty Six Dollars (\$6,956.00).

All provisions of said CONTRACT remain applicable and unchanged, except as herein modified. **IN WITNESS WHEREOF**, the parties have caused this Amendment to said CONTRACT to be duly executed as of the 21st day of June 2011.

Contract #1306; FAA AIP 03-04-0049-003; ADOT E1F04

Dear Patty:

This letter is in regards to a request for your consideration of an increase to contract 1306 for additional construction services costs on the above referenced project.

As you may recall we originally submitted proposals for part time and full time construction administration services. We anticipated 45 days for construction and 15 days for final inspection and project close out. The County selected the part time proposal in the amount of \$45,072.

The current construction schedule from the contractor anticipates construction to be completed on or about the 9th of June which extends the construction to approximately 60 days, with close out to follow. Based on Pavex's schedule we anticipate needing to make 7 more site visits including the final inspection for an additional \$5,700 (including expenses).

Also as you may recall, it was determined that the connector taxiways needed to be restriped so they would meet current FAA design standards and be consistent with the location of the new taxiway signs being installed. This was not anticipated at the start of the project and required additional design work. The cost for this additional design work is \$506.

The additional design work as well additional coordination with Pavex has resulted in using more of our project budget than anticipated. As a result final project close out costs will be an additional \$750. Therefore we would like to request your consideration of an increase of \$6,956 to complete the construction inspection services for this project.

Should you have any questions, please do not hesitate to contact me at (602) 707-4769.

Sincerely,

STANTEC CONSULTING SERVICES INC.

An analysis of the CCT claim categories by cost is included. This analysis demonstrates the increasing costs to the CCT, and subsequently to the participating entities and members that are associated with the various illness/disease categories. These categories include neoplasms (or cancers), diseases of musculoskeletal system, diseases of the digestive system, diseases of the circulatory system and symptoms or ill-defined conditions. The direct monetary impact to the Cochise Combined Trust (CCT) is clear. Based on industry standards, it is expected that these costs will be reduced (or at least held) if more employees participate in on-site wellness events. The exact monetary impact of early detection and or prevention of illness or disease will need to be assessed using future claims data.

Department's Next Steps (if approved):

If approved, the Human Resources Department will send notification advising employees of the incentive to participate in the specific wellness events this year.

Impact of NOT Approving/Alternatives:

None. The County would continue to encourage employees to participate in the CCT on-site sponsored wellness programs.

To BOS Staff: Document Disposition/Follow-Up:

Submit a copy of signed resolution to Human Resources.

Source of Funding?:

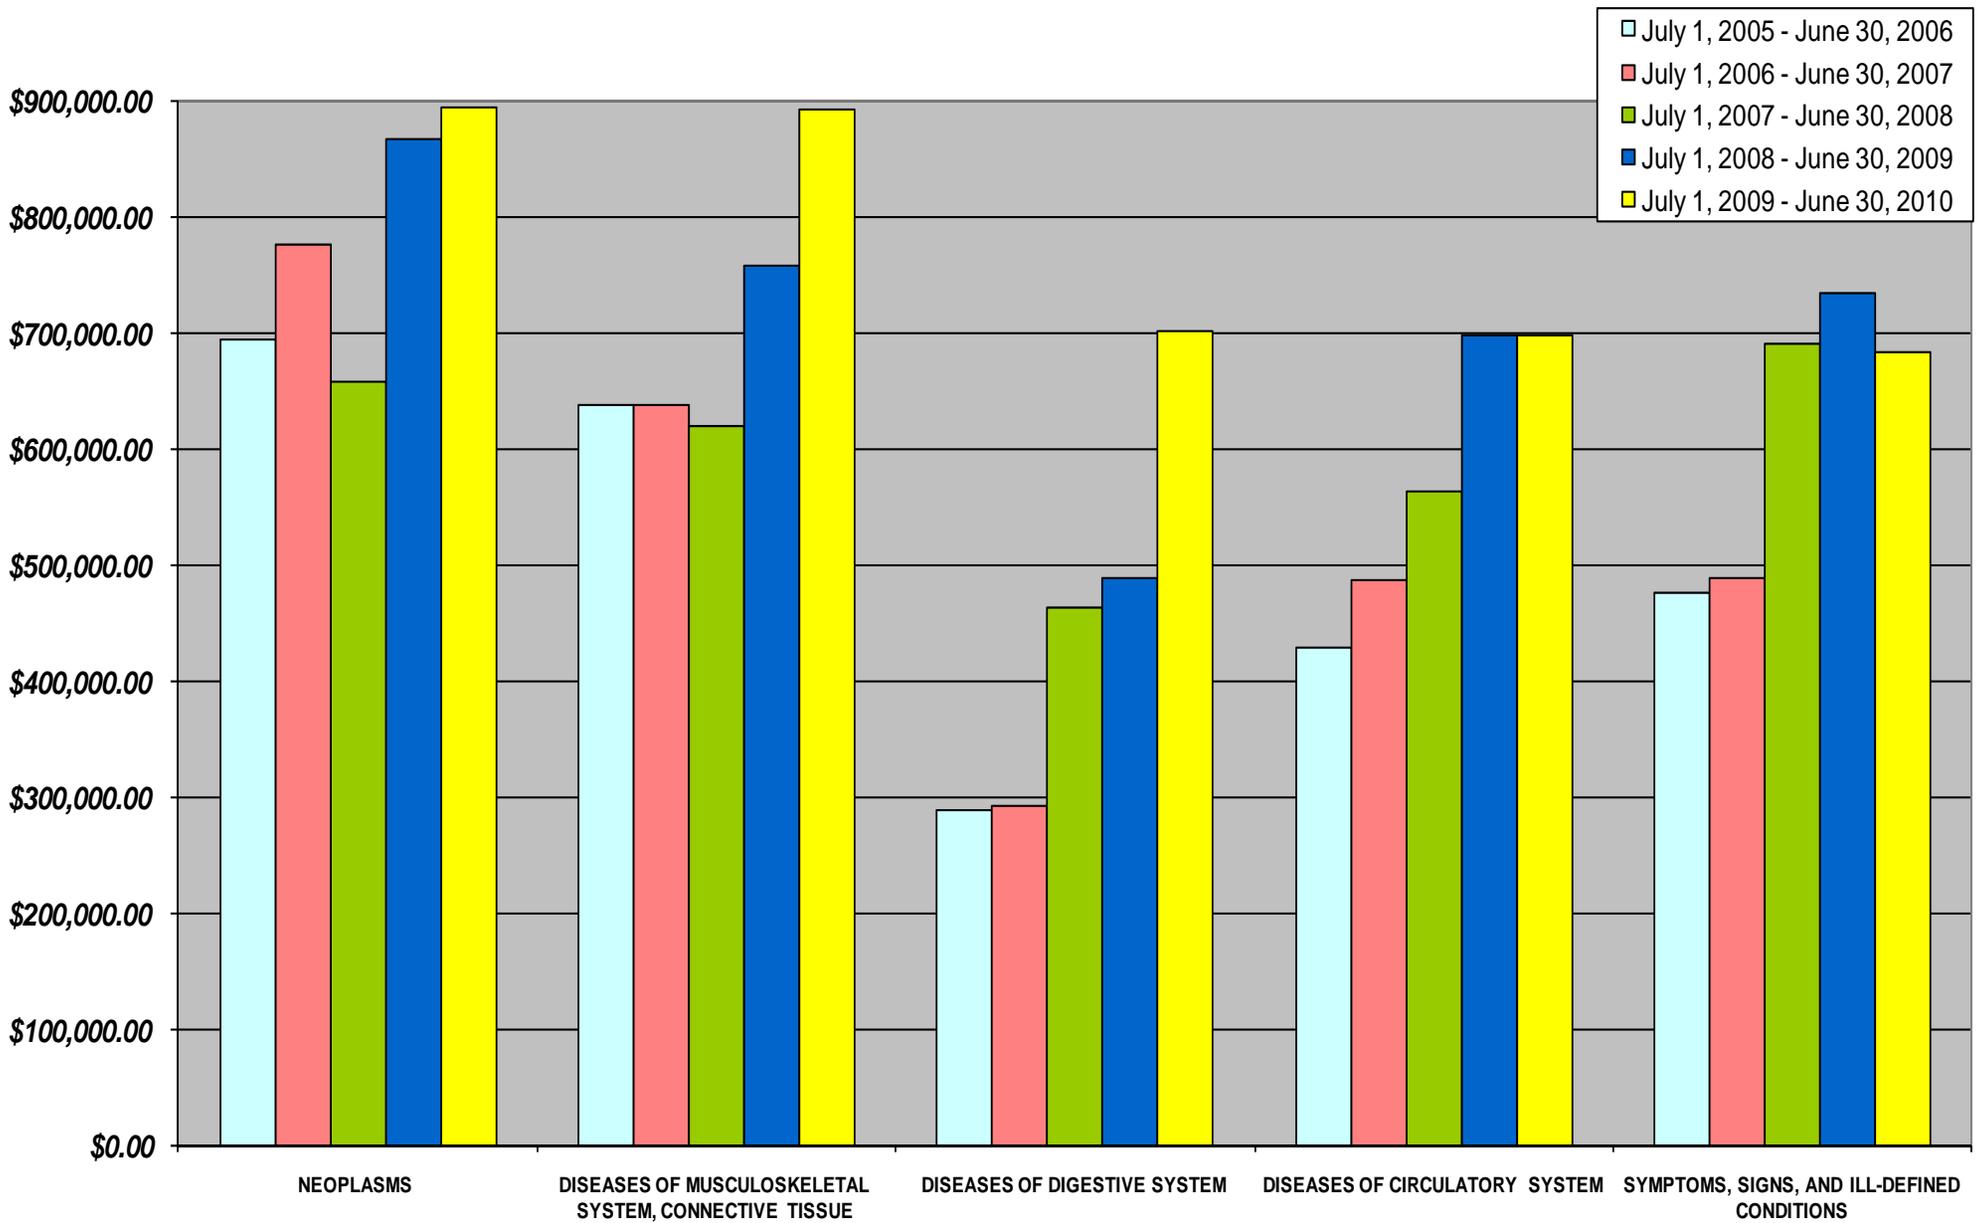

Fiscal Impact & Funding Sources (if known):

No direct fiscal impact. The opportunity cost would be that participating employees would receive a day off of work with pay. An approximate example of this opportunity cost is: \$24.50 (average hourly employee rate) x 100 (estimated participants) x 8 hour day = \$2,245. Wellness participation is generally lower than we prefer, so it is not anticipated that a large number of eligible employees will participate.

IDC Request for Contingency Funds

Indigent Defense Coordinator

MEMORANDUM

To: Board of Supervisors
Cc: Michael Ortega, County Administrator
James Vlahovich, Deputy County Administrator
From: Amy Hunley, Interim IDC Director/Indigent Defense Coordinator
Date: June 10, 2011
Re: IDC Request for General Fund Contingency Transfer

IDC is requesting contingency funds in the amount of \$150,000 for its projected FY10/11 budget shortfall. Based on year-to-date expenses, IDC anticipates a shortfall of approximately \$122,300 and may incur additional expenses in two capital cases assigned to private contract attorneys in May 2011. Attachment A shows IDC's current and projected budget expenses for FY10/11.

IDC's budget shortfall is attributable to expenses incurred in the State v. Sharp capital Rule 32 post-conviction relief case. As noted in Attachment A, the State of Arizona is required by statute to reimburse counties for 50% of expenses incurred in capital Rule 32 proceedings. However, the State's funding is often depleted early in the fiscal year and any unpaid reimbursement requests are carried forward until funds are available. IDC has not been reimbursed for any expenses incurred in FY10/11 and has unpaid reimbursement requests dating back to FY07/08.

On April 25, 2011, the State filed a notice of intent to seek the death penalty in a murder case involving two co-defendants. Private contract attorneys are appointed to represent the defendants due to conflicts in the Public and Legal Defender offices. Although the majority of expenses will be incurred over the next two or three fiscal years, there will be expenses incurred before the end of FY10/11.

NAME of PRESENTER: Dave Seward

Docket Number (If applicable):

Agenda Item Text:

Approval the renewal of Contract No. 10-53-SHF-03 for Jail & Juvenile Detention Food Service with Aramark Correctional Services, LLC for the period of July 1, 2011 through June 30, 2012 in the estimated amount of \$451,000.

Background:

This is the first renewal of Contract No. 10-53-SHF-03 approved by the Board of Supervisors on June 15, 2010. The terms and conditions of the original solicitation allow for this contract to be renewed for a period of up to four (4) successive one-year periods. The Sheriff's Office and Juvenile Detention Department are satisfied with the services provided by Aramark and are in agreement that the price increase requested for the contract renewal period is reasonable and justified. Aramark has requested a price increase of 2.82% for total meals served at the jail at 19, 999 meals per month or below. All other prices will remain the same for Jail and Juvenile. Research and analysis show that this increase is less than the CPI rate of 4.93% and is in line with or less than increases requested and granted within other counties in the State.

Department's Next Steps (if approved):

The Sheriff anticipates expenditures of \$400,000 in FY 2010-11 and has budgeted \$365,000 in FY 2011-12 for these expenditures in fund line #100-3000-3300-431.110. Juvenile Detention anticipates expenditures of \$80,000 in FY 2010-11 and has budgeted \$86,400 for these expenditures in FY 2011-12 in fund line 100-1200-1220-431.110.

Impact of NOT Approving/Alternatives:

An alternative solution would be needed to feed jail and juvenile detainees such as performing this service with County staff.

To BOS Staff: Document Disposition/Follow-Up:

Contract renewal agreement will be hand carried to Katie upon receipt of signed copy from Aramark.
