PRESENTATION

Presentation to the Board of Supervisors and "open house" of the Sheriff's Office new Mobile Command Post.

Chief Rod Rothrock presented a PowerPoint presentation. After Chairman Call adjourned the meeting the Board of Supervisors toured the Sheriff's Office new Mobile Command Post (MCP).

Chief Rothrock said the 2012 model Freightliner 35-foot Mobile Command Post has been needed for a long time and was purchased with a grant from Governor Brewer's office of Economic Recovery. This important tool for responding to critical incidents will enable the Sheriff's Office to handle communications and establish an on-the-ground command post to better address the needs of the public and of personnel in a critical incident situation. He spoke of previous critical incidents where the management was not optimal. He stated that Sheriff Larry Dever is a forward thinking administrator who is continually searching for methods and ways to enhance the Sheriff's Office with minimal impact to the budget. In the 15 years he has been Sheriff, the office has been awarded over \$33 million in grants and special revenue for the betterment of the communities and staff of Cochise County. Chief Rothrock said they will continue to utility the older mobile command unit for Search and Rescue operations. He described the attributes of the new MCP and invited everyone to tour the unit. He also thanked the Governor's Office, the Board of Supervisors and the Sheriff's Office for putting this together. The cost of the unit was over \$315,000 and was part of the Border Enhancement Security Grant.

Chairman Call adjourned the meeting at 10:46 a.m.
