Katie,  
The two documents attached are accurate, matching the letter and calculations we have done in our office.

**Subject:** Please Approve! Agenda Item for 8.26 Special Mtg\_McNeal Tax Rate Correction  
**Importance:** High

The attached files are the pdf of the agenda item prepared yesterday for tomorrow's Special BOS mtg to approve the correction of the McNeal Elementary School District tax rate, as well as the Property Tax Oversight Commission's ltr re: that issue.

B/c of routing difficulties, Schools has not been able to review and approve this item, so I am sending it via e-mail to all of you simultaneously. I need you to quickly review and send me an e-mail with your approval, before 12:50 today, so I can post before 1:00 p.m.

Thank you for your help. Sorry for the unconventional approach.
