PUBLIC HEARINGS

Health & Social Services

8. Adopt Resolution 12-28 to adopt the Cochise County Sanitary Code, effective on and after July 24, 2012, thereby repealing Resolution 94-64 and adopt Ordinance 043-12 to specify the conditions and circumstances under which the Cochise County Sanitary Code can be enforced.

Mr. Mike McGee, Environmental Health Director, presented this item. Mr. McGee told the Board that the code was in serious need of updating and gave an overview of the proposed changes. He said the projected revenue loss from the elimination of the individual Food Sanitation Certificates will be offset by permitting establishments that are currently not permitted and from adding alternative septic systems to our delegation agreement with the Arizona Department of Environmental Quality (ADEQ).

Chairman Searle asked for the distinction between the state food code reference and the County's food handler's permits; pointed out the duplication of regulation 7, sections 2 and 3; asked for clarification on regulation 6, section 2B regarding stock ponds; asked about regulation 10 regarding whether the Highways Department had knowledge regarding large animal removal; and pointed out a typographical error for "subsection '3' of section 5" which should be "subsection 'c' of section 5".

Mr. McGee clarified all the points brought up by Chairman Searle and said the duplication would be removed and renumbered; and the typographical error would be corrected.

Supervisor English said she wants to make sure that when we drop the Food Sanitation Certificate as part of this ordinance to be very sure of the structure and believes the public expects us to ensure that the food they buy is safe and we are still regulating the establishments where food is being made.

Chairman Searle opened the public hearing. No one wished to address the Board and Chairman Searle closed the public hearing.

Supervisor English made a motion to adopt Resolution 12-28 to adopt the Cochise County Sanitary Code, effective on and after July 24, 2012, thereby repealing Resolution 94-64 and adopt Ordinance 043-12 to specify the conditions and circumstances under which the Cochise County Sanitary Code can be enforced. Vice-Chairman Call seconded the motion.

Chairman Searle noted we need a correct version of the Sanitary Code.

Chairman Searle called for the vote and it carried 3-0.

9. Adopt Resolution 12-29 to rescind Resolution 02-111 to amend Environmental Health fees as set forth on Exhibit A and approve the revised Cochise Health and Social Services Department's Delegation Agreement with the Arizona Department of Environmental Quality (ADEQ), through June 30, 2017.

Mr. Mike McGee, Environmental Health Director, presented this item. He stated the authority delegated to Cochise County by the ADEQ included collection of fees for alternative septic systems. The proposed fees the County would charge are significantly lower than ADEQ's fees and this schedule also removes the Food Handler's permit fee for individuals.

Chairman Searle opened the public hearing. No one wished to address the Board and Chairman Searle closed the public hearing.

Vice-Chairman Call made a motion to Adopt Resolution 12-29 to rescind Resolution 02-111 to amend Environmental Health fees as set forth on Exhibit A and approve the revised Cochise Health and Social Services Department's

Chairman Searle called for the vote and it carried 3-0.

Solid Waste

10. Adopt Resolution 12-30 authorizing a \$1.00 increase to the Solid Waste rate for Fiscal Year 2012-13 from \$51.00 to \$52.00 per ton tipping fee, effective August 24, 2012.

Mr. Marty Haverty, Solid Waste Management Director, presented this item. Mr. Haverty told the Board that the requested increase is from \$51 to \$52 per ton. In preparation for the budget this year, the Rate, Review and Advisory Board (RRAB) recommended the increase.

Supervisor English clarified that this did not increase any other fees, other than the tipping fee and Mr. Haverty confirmed.

Vice-Chairman Call asked if fees would be stable. He said assuming if recycling efforts go up, a more effective system will alleviate pressure to increase tipping fees.

Mr. Haverty said that would continue to look at the fees annually and explained that transportation costs make our system more costly than those that just operate as landfills.

Mr. Ortega added that Mr. Haverty's staff put together an analysis last year, showing transportation costs as a big part of system costs. This is the most efficient way to do business and the effort will be to stabilize costs over time.

Vice-Chairman Call said it is important to understand that this is a partnership with the cities and this fee is coming to us with the RRAB's recommendation to increase fee. He also pointed out that with the County's small population and large land area, we are doing the best we can to defray costs.

Chairman Searle opened the public hearing. No one wished to address the Board and Chairman Searle closed the public hearing.

Supervisor English made a motion to adopt Resolution 12-30 authorizing a \$1.00 increase to the Solid Waste rate for Fiscal Year 2012-13 from \$51.00 to \$52.00 per ton tipping fee, effective August 24, 2012. Vice-Chairman Call seconded the motion.

Chairman Searle called for the vote and it carried 3-0.
