Arizona.

To Whom It May Concern:

Southwest Gas Corporation ("SWG") has reviewed the request from Mr. and Mrs. Hall on behalf of Mr. and Mrs. Hall to vacate and abandon a portion of that alleyway referenced above. After review, SWG has determined:

Please RESERVE and EXCEPT the following:

An easement to Southwest Gas Corporation on, over, in, under, across, above and through the area described. Reserving a 20' wide easement providing unrestricted access to maintain our facilities in the area. If the area is fenced, the owner will provide a minimum 12' wide gate at each end of this area with a provision for a SWG lock to gain access. No buildings, structures, trees, vehicles or any other obstructions will be placed in the 20' wide area for the length of the abandonment **in Vacation No. Block 10 of Richards Addition.**

SOUTHWEST GAS CORPORATION

SWG has existing or proposed facilities in all or a portion of the area proposed to be vacated and has no objection to the request for vacation as presented but is not requesting an easement be reserved to SWG.

If SWG facilities are within the area to be vacated, the Applicant may request that the facilities be relocated. Said relocation shall be at the Applicant's expense, in accordance with SWG's approved Arizona Gas Tariff, and to a location satisfactory to SWG.

It is the intent and understanding of Southwest Gas Corporation that this Vacation shall not affect, reduce, or diminish any other existing property rights or easements it may have on this site or in the area. SWG retains the right to use any other reservations, easements, licenses or other property rights in which it may have an interest or that otherwise may be located within the area being vacated.
