Chairman English opened the public hearing.

Mr. Michael Stull, Cox Communications representative, said that he had been working with County staff over the last year on this agreement and explained that the reason a new agreement had to be approved was to comply with new changes to state law. Facilities

12. Adopt Resolution 13-11 authorizing the submission of application(s) for FY 2013 State Community Development Block Grant Funds.

This item was presented by Ms. Lisa Marra, Grants Administrator, using a PowerPoint presentation. Ms. Marra reviewed the background information and stated that there were three projects that were of high priority and clarified that the County could submit up to three projects. She described and went over the total costs associated with each project: 1) Emergency Home Repair Program, \$144,080; 2) Elfrida Water District Improvements, \$120,000; and 3) Bowie Water District Improvements, \$117,000.

Supervisor Call asked about the possibility of the County paying for administrative costs so that the maximum amount of money would be used toward the projects.

Mr. Ortega said this could be done, but noted it would decrease the amount of money going into the general fund.

Vice-Chairman Searle asked when the projects were due and asked if a project from St. David could still be submitted.

Ms. Marra stated that they were due to the Southeast Arizona Governments Organization (SEAGO) by May 1, 2013 and said she had already reviewed the project from St. David and it was not eligible per federal government regulations.

Chairman English opened the public hearing.

Mr. Michael Coyle Jr. discussed the current condition of the Elfrida Water District and hoped the Board would consider their request so that the citizens of Elfrida would continue to be served.

Ms. Jere Fredenburgh said that she supported Elfrida's request.

Chairman English closed the public hearing.

Chairman English said that although the Emergency Home Repair Project would help citizens in the County, only five families would benefit as opposed to the 1,000 residents that would benefit from funding the Elfrida and Bowie Water District Improvements.

The Board discussed the breakdown of the 2 water projects.

Vice-Chairman Searle moved to adopt Resolution 13-11 authorizing the submission of application(s) for FY 2013 State Community Development Block Grant Funds for receipt and use of these funds in the following order of priority:

- i) Elfrida Water District: a) 50 gallon tank, \$72,000; b) clean/deepen existing well, \$23,000;
- ii) Bowie Water District: a) hydrants/meters, \$20,000; b) replace pump, \$28,000; c) electrical repairs, \$18,000;
- iii) Cochise County for Administrative Funds, any funds remaining, up to 18% of the total grant amount.

Supervisor Call seconded the motion.

Ms. Karen Riggs, Interim Director, Community Development said that there were a couple of projects last fiscal year that were not complete due to utility issues and explained that although the money rolls over, the contracts have to be redone.

Supervisor Call moved to approve an increase in the not to exceed dollar amount of Contract No. 10-66-HFP-04 with Western Emulsions, Inc. for CRS-2 and CRS-2P emulsified asphalt products from \$1,350,000 to \$2,050,000. Vice-Chairman Searle seconded the motion.

He said that the final cost of all three cases would not be known until the third case was finalized.
