Re: Torch Renewable Energy, Red Horse Project

Dear Supervisor English, Supervisor Searle and Supervisor Call -

The Bowie Chamber of Commerce supports the Red Horse Wind 2 Development Project proposed by Torch Renewable Energy, LLC. This project will provide some much needed economic development and employment in Northern Cochise County. The public wants renewable energy. We must start building viable projects like this one. We must show that our county welcomes this industry.

We ask that you support the Red Horse Wind 2 Development Project as it will produce clean renewable energy while helping to maintain energy costs, create jobs during and after construction and bring additional revenue from the land leases.

Sincerely,

*Nancy-Jean Welker*

*Bruce Austin*

*Dave E Terry (By J2)*

*Jennie Redman*

*Dan O'Neal*
