

RESOLUTION 13-___

**APPROVING THE REVISION OF THE SOLID WASTE FEE
STRUCTURE AT ALL URBAN TRANSFER STATIONS AND THE
WESTERN REGIONAL LANDFILL FROM VOLUME-BASED RATES
TO WEIGHT-BASED RATES, EFFECTIVE AUGUST 9, 2013.**

WHEREAS, Counties are authorized, pursuant to A.R.S. § 11-251.08, to adopt fee schedules for any products or services provided to the public; and

WHEREAS, a public hearing pursuant to A.R.S. § 11-251.08 has been properly noticed and held to consider the content and merit of this resolution; and

WHEREAS, in order to cover costs and improve the fairness of charges, the Rate Review Advisory Board has recommended a change to the method Solid Waste fees are calculated at all Urban Transfer Stations and the Western Regional Landfill, from a volume-based fee structure to a weighed load fee structure, which would be proportional to the tipping fee per ton, with a minimum charge of \$4 per load;

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors hereby authorizes a change to the method that Solid Waste fees are calculated at all Urban Transfer Stations and the Western Regional Landfill, from a volume based fee structure to a weighed load fee structure, whereby customers' vehicles will be weighed in and out to determine the weight of the material disposed of, with the fee being based on the tipping fee per ton that is then in effect, in proportion to the weight of the material that is disposed of, but with a minimum fee of \$4 per load, and paid when the customer exits, effective August 9, 2013.

PASSED AND ADOPTED by the Board of Supervisors of Cochise County, Arizona
this _____ day of _____, 2013.

Ann English, Chairman
Board of Supervisors
