MEMORANDUM

Date: June 25, 2014

To: Board of Supervisors

From: Martin Haverty, Director

Subject: **Resolution 14-18, Authorizing the elimination of the reduced tipping fee for commercial haulers who directly haul over 2,500 tons of material to the Western Regional Landfill on an annual basis.**

Recommendation: Adopt Resolution 14-18, authorizing the elimination of the reduced tipping fee for commercial haulers who directly haul over 2,500 tons of material to the Western Regional Landfill on an annual basis, effective August 8, 2014.

Background (Brief): This proposed action is to remove the incentive which gives commercial haulers a financial incentive to dispose of material at the Western Regional Landfill, this incentive has not been utilized by any commercial haulers, despite several efforts from staff to inform haulers of the benefits and it is not effective to have this item on the tipping fee schedule or "Schedule A"

Next Steps/Action Items/Follow-up: The approved item will be presented to the public for a 30 day public notice period. At the end of those 30 days: August 8, 2014 the incentive offering discounted rates to commercial haulers will be taken off the fee schedule.

Impact of Not Approving: No immediate impact to not approving, long term impact could add to confusion by having this item on the fee schedule.
