Re: Housing for Heroes

Dear Mr. Rojas:

The Cochise County Board of Supervisors wish to express support to National Community Health Partners (NCHP) and its program entitled "Housing for Heroes," a cause of great importance that serves our nation's homeless veterans.

It has come to our attention that Arizona has the highest number of homeless veterans among the states, and NCHP is working toward the same mission expressed by the State Department of Veterans Affairs, that is to eradicate what has become the most vulnerable group of people likely to become homeless.

The Board applauds the efforts of NCHP, an organization that has provided health education and supportive services to low-income and underserved populations since its incorporation in 1984, and supports its project "Housing for Heroes" and the efforts to expand services in Cochise County, which has no present representation by an organization that provides transitional housing services for veterans.

The Cochise County Board of Supervisors appreciates the opportunity to support such an honorable endeavor.

Sincerely,

Patrick G. Call, Chairman

Ann English, Vice-Chairman

Richard R. Searle, Supervisor
