Cochise County Board of Directors
For Workforce Development

REF: Mary Tieman

To Whom It May Concern:

As Chairman of the Board of Directors, I would highly recommend Mary Tieman to serve on the Workforce Development Board. The Chamber Board recently named Mary as the new Executive Director.

I have been a Chamber Board Member for over four years and the last eighteen months I have worked with Mary as a fellow board member of the Chamber. Mary is one of the most active and productive board members I have had the pleasure to know. Mary chaired or co-chaired several committees, including the Ambassadors and the Business Advocacy Committee.

Mary was the key in arranging the political forums, debates and endorsements for the BAC committee. She additionally was invaluable as the Ambassador lead in Expo, Parade and other event planning.

As General Manager of Horizon Moving Systems, I have worked with Mary and Workforce Development to assist in filling employment needs and providing invaluable training information.

Mary is a creative thinker, knows how to get things done and people involved to make projects and events successful. She would be a valuable asset to your board.

Please feel free to contact me with any questions.

Regards,

Rick Shelley
