Dear Dr. Schindler,

It is with regret that I write to inform you of our intention to terminate our sub-contract agreement with you for MIECHV funds for the Home Visiting Coordination service. According to our sub-contract agreement No.13-46-HEA-01, page 2, paragraph TERMINATION:

This Agreement may also be terminated at any time by mutual written consent, or by the County, with or without cause, upon giving the thirty (30) days written notice to the Subgrantee. The County at its convenience, by written notice, may terminate this Agreement, in whole or in part. If this Agreement is terminated, the County shall be liable only for payment under the payment provisions of this Agreement for services rendered and accepted material received by the County before the effective date of termination.

This termination shall be effective as of April 30, 2015.

Please know that the exercise of our option to terminate this sub-contract agreement is no reflection on the performance of Child & Family Resources as a partner in the Strong Families Collaboration or as a sub-contractor of Cochise Health & Social Services. As the collaboration has evolved, it no longer effectively serves our purpose to subcontract the coordinator services management to a separate agency.

Thank you so much for your excellent partnership over the past several years. We hope to continue to partner with Child & Family Resources in other ways as we both have similar missions and goals in serving families.

Please feel free to call me, or Judith Gilligan, to discuss any related issues.

Sincerely,

Mary Gomez, Health Officer
