Cochise County Sherriff Office,

Please consider the donation of an excess three-horse trailer to the Junior Reserve Officer Training program at Tombstone High School. We have a Mounted Color Guard and could use the trailer for transportation of animals for training and events. This is one of two JROTC Mounted units out of over 3000 high school programs. This team, since the creation in September 2012, has performed in over 25 different events; culminating this year during the 44th Annual Fiesta Bowl Parade in Phoenix, AZ. Our goal is to someday perform at the Tournament of Roses Parade in Pasadena, CA.

All of the riders in the Color Guard are active members of the JROTC program and are responsible for the health and care of their animals. Some parents are very involved in the program and some kids have some challenges with trailering their horse to practice and/or events. When we travel we consolidate the horses to work together as a team. Having a team trailer would allow us to consolidate team equipment. Having a trailer would ensure that every cadet that wishes to participate may do so without having to rely on their current financial situation.

Should you have any questions, please feel free to contact me.

Sincerely,

MSG(R) Daniel Kilpatrick
