

# Public/Private Partnership for Cochise County Road Improvement

**LEGEND**

- County/public action
- Applicant/private action

**NOTES**

1. If Board postpones project to next annual review, Applicant may terminate project.
2. Amount of private funding defined by Engineering Study.
3. If Applicant is unable to complete requirements within 1 year of Engineering Study, County may terminate project OR update Engineering Study based on revised costs.
4. If project exceeds Engineering Study cost by 25% OR project is not constructed within 3 years of date of receipt of private funding, Applicant may terminate project and request refund of private funding minus improvements provided as of date of refund request.
