- E. Condition Precedent to Obligation of the Conservancy to Close.** The satisfaction or accomplishment of each of the following, at or before the Closing Date (or by any earlier date specified in this Agreement for performance, if any), shall be a condition precedent to the obligations of the parties and to purchase and sell the Property at the Closing:

- H. Possession and Risk of Loss.** The Newmans shall deliver possession of the Property to the County at closing and shall bear the risk of loss until the delivery of such possession.
- I. Taxes.** The Newmans agree that all taxes, assessments and encumbrances that are a lien against the Property at closing shall be satisfied of record by the Newmans at or before closing. Regular real property taxes payable during the year in which closing shall occur shall be prorated as of closing.
- J. Costs and Fees.** The County shall pay all closing costs, including Escrow fees and any recording costs.
- K. Right of Entry.** The County may enter upon the Property at reasonable times for surveying, inspection and other reasonable purposes related to this transaction, provided, however, that the County shall indemnify the Newmans for any damage to the Property arising out of the County’s exercise of its rights under this paragraph.
- L. Broker’s Commission.** The County and the Newmans represent that it/they have not contracted with any broker or finder with regard to this transaction.

M. Additional Terms of the Purchase and Sale. Additional terms of the purchase and sale of the Property are set forth in Exhibit D, a letter from Sparkle Short, on behalf of the Newmans, to County Right of Way Agent II Pam Hudgins dated November 2, 2015, which is hereby incorporated by reference. COCHISE COUNTY
HIGHWAY & FLOODPLAIN

Thank you for the time you have spent working with us on the Multi Use Path to try and make Ramsey Canyon a safer place for everyone.

The following are the agreements we have consolidated into one document plus a couple of other issues that were discussed but not included in the original letters.

The project will require 1.91 acres across parcel 105-36-001, 2.18 acres across parcel 105-36-002, 4.09 acres total and the relocation of the existing fence.

As compensation for your property the County shall:

Install and maintain signage near the Multi-Use path regarding littering and pet leash laws. Also install and maintain 'No Trespassing' signs on the new fence along the path.

Install and maintain a state legal five (5) strand barbed wire fence along the Multi Use Path right-of way and connect to the remaining property fence.

When existing fence is removed, the T-posts will be returned back to the property owners.

Install floodgate fencing in the area traversed by Ramsey Canyon Creek.

Install 16' tubular livestock gates to preserve cattle access between family properties north and south of Ramsey Canyon Road.

Amended 10/29/15 - Right- of- Way permits would be issued for the two gate locations. The permits would be information only permits, no fees required. The permits would be automatically renewed on a yearly basis as long as the Newman family and/or descendants run cattle on the South and North side of Ramsey Canyon Road. This action will secure their rights to move the livestock.

Install and maintain cattle crossing signs on the east and west side of the livestock gate entrances. Because of liability issues the county will install and maintain the permanent "fold up" signs in the right of way.

The land would be grubbed (cleared of vegetation) 20 feet south of the new ROW fence line. The surplus wood will be stacked and placed on the south side of the new fence.

The Newman family would like the Multi Use Path to be called "Newman Trail" with a plaque at each end of the trail.

From the August 18, 2015 document from Cochise County Community Development. Resolution 14-84 Establishing Ramsey Canyon Multi-Use Path as a County Highway. " establishment of said multi-use path as requested in said petition is a public necessity, and that no landowner would be adversely affected thereby;" (does not count as one of property owners 5 splits).

Indemnify all reference said parties and uses from any claims in reference to the Multi Use Path right-of-way agrees to pay 100% legal cost.

Acquire Multi Use Path right-of-way based on \$20,000 per acre. A total of \$81,800.00 less any prorated property taxes which may need to be satisfied.

On behalf of the Newman Family,

Sparkle Short
