

Public/Private Partnership for Cochise County Road Improvement

LEGEND

County/public action

Applicant/private action

NOTES

1. If Board postpones project to next annual review, Applicant may terminate project.
2. Amount of private funding defined by Engineering Study.
3. If Applicant is unable to complete requirements within 1 year of Engineering Study, County may terminate project OR update Engineering Study based on revised costs.
4. If project exceeds Engineering Study cost by 25% OR project is not constructed within 3 years of date of receipt of private funding, Applicant may terminate project and request refund of private funding minus improvements provided as of date of refund request.
