Re: Fee Waiver Request, Bay Acres Sewer Collection System Project

Dear Mr. Esparza:

This letter is to respectfully request a fee waiver to reduce the trade inspection fee from \$50.00 to \$30.00 per unit in association with the septic tank abandonment inspections in conjunction with the Bay Acres Sewer Collection System Improvements Project.

This fee waiver request is to provide some economic relief to the overall project costs and to showcase a good faith partnering effort towards the implementation of this very important project to the residents of the Bay Acres Colonia.

If you have any questions or require any additional information, please feel free to contact me.

Sincerely,

Carlos A. De La Torre, P.E.
City Manager
