Workforce Arizona Council  
333 N. Central Ave., Suite 1900  
Phoenix, AZ 85004

Dear Ms. Jahntz;

Please consider this letter a formal request that the local board for Southeastern Arizona Workforce Development be certified. This partnership program has operated successfully for many years and provides an essential service for residents and employers of Cochise, Graham and Greenlee Counties. We do not want the funding disrupted or the program discontinued.

Thank you for the consideration and please contact us with questions or concerns.

Sincerely,
