ACTION

County Sheriff

16. Approve the acceptance of a donation to acquire a Lockheed Martin QR-425 Unmanned Aerial Vehicle (UAV) for use in law enforcement and search and rescue activities.

This item was presented by Commander Mark Genz, Sheriff's Office. Commander Genz described the UAV equipment, as very small with limited use; it does not fly over 400 feet and is limited to 20-30 minutes of flight time. He reiterated the intention as stated in the agenda item and gave examples of situations of use for law enforcement, search and rescue type missions and in areas hard to reach. There are strict restrictions by FAA for approval to fly and they are partnering with Cochise College who has a UA program and will help with the application and training process. He clarified that the UAV equipment is being bought

and given to the Sheriff's Office.

Supervisor Call asked if there are any long-term costs of maintaining. Commander Genz said no except for replacement parts and the college has given direction on ordering parts more cost-effectively. There is a free training in CA, the County's Sheriff Office will pay for travel. Chairman English asked about high liability costs for crashes. Commander Genz said if catastrophic, possibly, but it is a simple construction and parts are cheap. The UAV costs approximately \$67,000 and deputies will not be operating. Some areas will require a licensed pilot for law enforcement activities and they are working with the Sheriff's Assist Team and Cochise College to meet those requirements. Commander Genz detailed more FAA restrictions.

Vice-Chairman Searle made a motion to approve the acceptance of a donation to acquire a Lockheed Martin QR-425 Unmanned Aerial Vehicle (UAV) for use in law enforcement and search and rescue activities. Supervisor Call seconded the motion.

This item was presented by Commander Mark Genz, Sheriff's Office. Commander Genz said this is a test program for one year to examine the benefits. The Sheriff's Office is partnering with the Sierra Vista Police Department and it will be housed in an Airwest shared hanger space at the Sierra Vista Airport. All flights will have a law enforcement observer on board acting as the mission commander for high priority incidents such as officer involved rural shootings, criminal pursuits, search and rescue, and border teams. All costs are paid for: pilots, uniforms, maintenance, fuel, on-call time for law enforcement officers with no cost to the County. The contract will be returned by Airwest today and after foundation approval the kick off date is set for May 15.

Chairman English asked about specific number of hours limitation. Commander Genz said the contract outlines 30 number of hours with extra hours allocated for border patrol. Supervisor Call asked about cost per hour. Commander Genz said the cost is approximately \$83,000 per month for aircraft plus cost of personnel, or about \$3000 per hour. Mission Commanders will attend a 10 hour ground school on how to safely operate and will also observe flights. Supervisor Call asked if it will be available for VIP tours for visits from DC or shared with other law enforcement agencies or for regional incidents such as medical emergencies. Commander Genz said it certainly will be. Commander Genz and Mr. Ortega stated that explicit language was discussed with attorney Terry Bannon and added to the contract to protect the County; if private money is not available, the contract is null and void. Commander Genz reiterated that the contract will be back today and after foundation approval will be sent to the Board for signature.

Supervisor Call made a motion to approve the acceptance of a donation to contract with Airwest Helicopters LLC to provide the Sheriff's Office with air support utilizing a Bell 206L4 Helicopter effective April 8, 2014 through April 7, 2015. Vice-Chairman Searle seconded the motion.
