ACTION

Board of Supervisors

13. Approve a Letter to the Department of the Interior regarding the lack of United States Fish and Wildlife (USFW) compliance with National Environmental Policy Act (NEPA) and relevant Memorandum of Understanding (MOU) regarding the Mexican Wolf Environmental Impact Statement (EIS).

Supervisor Call moved to approve a Letter to the Department of the Interior regarding the lack of United States Fish and Wildlife (USFW) compliance with National Environmental Policy Act (NEPA) and relevant Memorandum of Understanding (MOU) regarding the Mexican Wolf Environmental

Impact Statement (EIS). Chairman English seconded the motion.

Mr. Michael Turisk, Planning Manager, gave the background information, stated that there was frustration from the County regarding our participation and role in development plans and noted that the designation as a cooperating agency has not been honored.

Supervisor Call said it was a well written letter and that the County has been shut out of the decision making process.

Chairman English clarified that this was not an emotional outburst, but that the comments submitted regarding the Mexican Wolf Reintroduction were based on science and therefore should be at least considered.

Chairman English called for the vote and it carried 2-0 (Searle absent).

14. Approve an amendment to the Intergovernmental Agreement (IGA) between the City of Douglas and Cochise County to allow for an earlier purchase of the Douglas Regional Service Center by the County and an earlier sale of two County buildings to the City of Douglas, with a closing date of no later than September, 2014.

Supervisor Call moved to approve an amendment to the Intergovernmental Agreement (IGA) between the City of Douglas and Cochise County to allow for an earlier purchase of the Douglas Regional Service Center by the County and an earlier sale of two County buildings to the City of Douglas, with a closing date of no later than September, 2014. Chairman English seconded the motion.

Mr. Ortega, County Administrator, presented this item and stated that this agreement's purpose was to move up the sale date. He noted that different situations regarding ownership of the building had come up and both parties had decided to move the timeframe up and explained that the two main changes from the original agreement were that the County would have complete ownership of the building and that a communications tower use shared by both entities had been added to the amendment to allow the County continued use. Mr. Ortega stated that the County also gave two properties that it owned to the City of Douglas in exchange for a lower price on the purchase of the service center and that the final payment would be \$900,000. He also clarified that the County would continue to lease part of the service center to Customs and Border Protection for the next 4 years as outlined in the contract, at the end of that period the County would then revisit the contract for possible renewal.

Supervisor Call asked if the City was using either of the two properties.

Mr. Ortega said that they were using the one on 7th Street and G Avenue.

Chairman English said that this was a positive for both entities and she was glad an agreement was made.

Chairman English called for the vote and it was approved 2-0 (Searle absent).

Community Development

15. Approve a Substitute Assurance Agreement for the Ramsey Reserve Estates subdivision with Pioneer Title Agency as trustee under trust number 523986, and extending the deadline to complete improvements to May 6, 2017.

Supervisor Call made a motion to approve a Substitute Assurance Agreement for the Ramsey Reserve Estates subdivision with Pioneer Title Agency as trustee under trust number 523986, and extending the deadline to complete improvements to May 6, 2017. Chairman English seconded the motion.

Ms. Beverly Wilson, Planning Director, presented this item using a PowerPoint presentation. Ms. Wilson gave the background information, showed a map of the location, and said that the reason for the request was due to change in ownership of the subdivision. She stated that staff recommended

approval and noted that if approved the new extension would expire on May 6, 2017.

Chairman English asked for the original deadline.

Ms. Wilson said that it had already expired on January 25, 2014.

Mr. Rick Lynton, owner of Ramsey Reserve Estates, Colorado resident, said that he had inherited the development after a second foreclosure. He clarified that the future of the development depended on the economy and that he would not be the developer.

Supervisor Call said that he was not inclined to extend the assurance agreement since it was obvious that it would not be developed and he was aware of other development challenges.

Chairman English stated that even though this was a substitute assurance agreement, leaving the plat as is, knowing that it will not be developed, also inclined her not to approve.

Mr. Lyndon asked what would happen if the assurance agreement is not extended.

Ms. Wilson said that if the assurance agreement was not accepted a plat would not be able to be developed, then we have to abandon it.

Mr. Hanson, Chief Deputy County Attorney, said that an option could be to abandon the subdivision, but that it would be a long process.

Mr. Lyndon agreed to assist in the abandonment of the subdivision if that is the Board's decision.

Supervisor Call stated that the County is trying to clean up the number of "ghost" plats.

Chairman English called for the vote and it failed 0-2 (Searle absent).

Chairman English called for the vote and it was approved 2-0 (Searle absent).

17. Approve a request from Joe Schneider - Sonora Verde Estates, for a waiver of submittal fees totaling \$500 for an extension of an Assurance Agreement for the Sonora Verde Estates Subdivision, Phase III.

Supervisor Call moved to approve a request from Joe Schneider - Sonora Verde Estates, for a waiver of submittal fees totaling \$500 for an extension of an Assurance Agreement for the Sonora Verde Estates Subdivision, Phase III. Chairman English seconded the motion.

Ms. Beverly Wilson, Planning Director, presented this item. Ms. Wilson gave the background and stated that the subdivision was partially developed and then revived in 2005 when Mr. Schneider became the owner and developer. She noted that there are six remaining lots that need to be developed and that Mr. Schneider has cited physical problems and the current economic situation as a reason for the waiver. She clarified that this item was a fee waiver and not the actual assurance agreement extension.

The Board agreed that the reason given was not enough to waive the fees.

Chairman English called for the vote and it failed 0-2 (Searle absent).

County Treasurer

18. Approve the recommendation of the County Treasurer for the abatement of property taxes and interest on personal property and the removal of personal property tax liens on Treasurer's Certificate of Clearance Numbers 2014-0401 and 2014-0402 pursuant to A.R.S. 42-19118.

Chairman English seconded the motion.

Ms. Maria Pitzlin, Deputy County Treasurer, asked the Board if they had any questions.

Supervisor Call stated that he agreed with the recommendation from the Treasurer's Office.

Chairman English called for the vote and it was approved 2-0 (Searle absent).
