Vice-Chairman Searle moved to elect Supervisor Patrick G. Call as Chairman of the Board of Supervisors, effective July 1, 2014. Chairman English seconded the motion.

18. Elect \_\_\_\_\_ as Vice-Chairman to the Board of Supervisors, effective July 1, 2014.

Supervisor Call moved to elect Supervisor Ann English as Vice-Chairman to the Board of Supervisors, effective July 1, 2014. Vice-Chairman Searle seconded the motion.

Chairman English called for the vote and it was approved 3-0.

19. Board of Supervisors sitting as the Board of Equalization of Cochise County will uphold or amend the Assessor's decision in the case of parcel 402-26-010 A.

Supervisor Call moved to uphold the Assessor's decision in the case of parcel 402-26-010A. Vice-Chairman Searle seconded the motion.

Mr. Felix Dagnino, Deputy Assessor, presented this item. Mr. Dagnino gave the background, location of the parcel, and stated that the appeal had to do with an error in legal classification. He explained that per the assessment done, an error did not exist. He said that to the applicant the parcel should be 100% class 3, but that the Assessor's Office classified the parcel class 2 and class 3 per statute. He noted that due to the circumstances the Assessor's Office cited this parcel as having no error and added that the applicant did have an opportunity to go through the Board of Equalization (BOE) process and did not choose to do so. He also stated that there was no legal restriction on this parcel to qualify it for 100% class 3 designation.

Chairman English asked if the parcel had any geographical features that impeded this parcel from being subdivided, which could then classify it as a 100% class 3 property.

Mr. Dagnino said that the parcel did not have any geographical features that barred it from being split. He also noted that the applicant had not gone through the BOE process in 2009, 2010, 2011, 2012 or 2013.

Mr. Darrin Pipkin, (telephonic), Integral Property Tax Services, representative for the applicant said that the reason for the appeal was because the classification was not appropriate. He stated that the property should be 100% class 3 since it is only used for residential purposes. He added that other counties in Arizona are allowing for the statute to be interpreted in a manner where parcels, regardless of size that only have one residence on them, be classified 100% residential. He also said that the State Board of Equalization allowed the use of class 3 for residential parcels regardless of size.

Chairman English stated that it was the Board's job to ensure that cases were handled equally in Cochise County, not statewide.

Mr. Pipkin said that the statute allowed for all the counties in the state to follow this procedure and had clear directive stating that the parcel did not have to meet all the criteria.

Chairman English clarified that the statute allowed for this interpretation, but did not require it.

Vice-Chairman Searle asked if parcels up to 40 acres could be classified 100% residential.

Mr. Dagnino stated that the parcel has to be restricted in order to qualify and noted that the Assessor's Office handles all parcels in the County in this manner.

Chairman English called for the vote and it was approved 3-0.

## **County Schools**

20. Approve payoff of negative balance in Grant Fund Line 283 from the Arizona Department of Education (ADE) of \$1,864 from General Fund do to a calculation error.

Vice-Chairman Searle moved to approve payoff of negative balance in Grant Fund Line 283 from the Arizona Department of Education (ADE) of \$1,864 from General Fund do to a calculation error. Supervisor Call seconded the motion.

Ms. Martha Mauldin, Account Clerk III, School's Superintendent's Office, presented this item. Ms. Mauldin stated that there was a negative balance in the grant fund line due to a mismanagement of a grant several years ago. She clarified that since then processes had been put in place to avoid such errors the person responsible no longer worked there; and there had been no issues with the management of grants. The Board agreed that the negative balance should be paid off and thanked Ms. Mauldin for her detailed background information on this issue.

Chairman English called for the vote and it was approved 3-0.

## **Juvenile Probation**

21. Approve Title IV-E Service Agreement between the Arizona Supreme Court, Administrative Office of the Courts and Cochise County Juvenile Court Services, Probation Division effective June 24, 2014 to June 30, 2015.

Supervisor Call moved to approve Title IV-E Service Agreement between the Arizona Supreme Court, Administrative Office of the Courts and Cochise County Juvenile Court Services, Probation Division effective June 24, 2014 to June 30, 2015. Vice-Chairman Searle seconded the motion.

Ms. Denise Caraballo, Juvenile Services Administrative Director, presented this item. Ms. Caraballo gave the background of this request and said that this was a federal reimbursement. She added that the monies received allowed juveniles in the area to stay here for rehabilitation services, which greatly impacts their success in those programs and noted that there was no County match for this grant.

The Board agreed that this was a great service for the community and commended the Juvenile Services Department for looking for these opportunities and saving taxpayers money, which can be used for other services.

Chairman English called for vote and it was approved 3-0.

## **Procurement**

22. Approve the award of RFP 14-36-TRE-03 for Banking Services to J.P. Morgan/Chase Bank for the period of July 1, 2014 through June 30, 2017.

Mr. Terry Rutan, Senior Buyer, presented this item. Mr. Rutan gave the background and noted that

although 3 banks had applied, J.P. Morgan/Chase Bank had the best offer and staff recommended approval.

Chairman English asked why J.P. Morgan/Chase Bank was better than Wells Fargo.

Mr. Rutan said that the time to transfer from the current bank, J.P. Morgan/Chase, was an issue considered by the panel and the reason J.P. Morgan/Chase Bank received a higher score.

Chairman English called for vote and it was approved 3-0.
