14. Approve a two year capitol lease purchase agreement with Bank of America Public Capital Corporation for the purchase of heavy and light fleet equipment in the estimated amount of \$3.8 million.

Vice-Chairman English requested the item be pulled from Consent and added to the Action Agenda.

Mr. Ortega gave the background of the lease purchase agreement and noted that the details had been discussed in a work session with the Board. He went into detail of the actual costs involved and the equipment that would be purchased and added that the main reason the County was financing instead of paying up front was to comply with the statutorily required expenditure limit.

Vice-Chairman English stated that the County had not used this methodology and wanted the public to understand why the County was moving forward with a financing option.

Supervisor Searle said that although the financing option would require the County to pay an interest rate, it would eventually save the County in inflation costs.

Mr. Ortega commended staff for this new approach and explained what the expenditure limit statute was. He noted that this statute is governed by state legislature based on population of the county and that this was established as a safety net against counties/cities going broke. He added that the difficulty is for Cochise County is that the County has done very well financially and saved money for major projects, but cannot pay up front because of the expenditure limit.

Vice-Chairman English noted that losing population has a negative impact on the County because it lowers the expenditure limit and minimizes the number of projects that can be completed during the fiscal year.

Supervisor Searle moved to approve a two year capitol lease purchase agreement with Bank of America Public Capital Corporation for the purchase of heavy and light fleet equipment in the estimated amount of \$3.8 million. Vice-Chairman English seconded the motion.

Chairman Call called for vote and it was approved 3-0.

The Environmental Health Division noted that the establishment met all the requirements set forth by the Arizona Food Code; the Treasurer's Office noted that all property taxes are current. ACTION

Board of Supervisors

18. Board of Supervisors sitting as the Sunsites Light Improvement District Board: Approve the Application for New Service Design/Construction to the Sulphur Springs Valley Electric Cooperative (SSVEC), Inc. for the installation of two new poles and street lights.

Mr. Tom Schelling, Special Districts Consultant, presented this item. Mr. Schelling gave the background and noted that this change was approved during the budget process. He also gave the location of the two new lights.

Director Searle stated that before a letter was sent to SSVEC, a final cost would have to be agreed upon to determine if one or two lights would be installed. He directed staff to prepare all the documents, but wait for the final decision from SSVEC before moving forward.

Vice-Chairman English added that these costs are paid by the people in the district.

Vice-Chairman English moved to approve the Application for New Service Design/Construction to the Sulphur Springs Valley Electric Cooperative (SSVEC), Inc. for the installation of two new poles and street lights. Director Searle seconded the motion.

Chairman Call called for the vote and it was approved 3-0.

19. Briefing by Norm Sturm, Cochise County's Emergency Services Coordinator, on Governor Janice Brewer's November 12, 2014 State Emergency Declaration for Cochise County.

Mr. Norm Sturm, Emergency Services Coordinator, presented this item using a PowerPoint presentation. Mr. Sturm gave the background of the Odile Emergency Declaration and updated the Board on the current status. He stated that Governor Brewer had signed off on the declaration on November 12, 2014, which will allow any affected area to request reimbursement for costs incurred due to Hurricane Odile and added that the State will be holding a meeting to discuss pursuing public assistance reimbursement for those entities that were affected.

Supervisor Searle asked what the estimated cost for damages was.

Mr. Sturm said that it was about \$2,000,000 between the County and the Cities. He noted that the total reimbursement would only be for \$200,000, but that the County could go back to the State Emergency Council and request a higher amount to address damages.

The Board thanked Mr. Sturm and staff for their work.

20. Discussion and direction on support for the position of Sulpher Springs Valley Electric Cooperative (SSVEC) and Arizona Electric Power Cooperative (AEPCo) regarding the Environmental Protection Agency's (EPA) proposed rule 111d.

Community Development

21. Approve the acquisition of a portion of a tax deed parcel for right of way for Ghost Town Trail.

Ms. Elda Orduno, Deputy County Attorney, presented this item. Ms. Orduno gave the background information and said that the reason for the request was that the Highways Division wanted to acquire the parcel to do a realignment with Ghost Town Train Road. She showed the location on a map and noted that the cost would be approximately \$1,344.

Vice-Chairman English asked for clarification on the process.

Mr. Ortega explained that a formal process was needed to take over ownership because although the parcel is in the care of the Board it is actually owned by the State.

Supervisor Searle expressed his concern for leaving a section of the parcel because it makes it nonconforming and asked if the entire parcel could be purchased.

Mr. Ortega said that if the Board had a concern, staff would move forward with purchasing the entire parcel.

Chairman Call asked why the realignment was a concern.

Ms. Karen Riggs, County Engineer, stated that having Y intersections was a safety hazard and the Highways Division planned to address these types of intersections by realigning them.

Supervisor Searle amended the motion and moved to approve the acquisition of the entire tax deed parcel for right of way for Ghost Town Trail. Vice-Chairman English seconded the

motion.

Chairman Call called for vote and it was approved 3-0.
