Vice-Chairman English moved to approve items 1-14 on the consent agenda. Supervisor Searle seconded the motion and it carried unanimously.

ACTION

Board of Supervisors

15. Approve an Intergovernmental Agreement (IGA) with City of Douglas to acquire the Right-of-Way for a proposed Port of Entry effective July 30, 2015 through July 30, 2025, unless terminated by either party.

Mr. Britt Hanson, Chief Civil Deputy County Attorney, presented this item. Mr. Hanson gave the background and reason for this IGA and added that this would help the City of Douglas build a new proposed port in the future.

Vice-Chairman English said that the County was aware of the project and have taken several steps in addition to this IGA to ensure the City of Douglas is prepared to move forward with the project when the time comes.

Supervisor Searle said he appreciated Vice-Chairman English's efforts and asked if there had been any opposition.

Vice-Chairman English said that no one had come forth in opposition up to this point and she did not expect anyone to do so in the future.

Supervisor Searle moved to approve an Intergovernmental Agreement (IGA) with City of Douglas to acquire the Right-of-Way for a proposed Port of Entry effective July 30, 2015 through July 30, 2025, unless terminated by either party. Vice-Chairman English seconded the motion.

Chairman Call called for the vote and it was approved 3-0.

16. Approve a letter to Eastern Arizona Counties Organization (ECO) disclaiming Cochise County participation in Existing "Equity".

Mr. Britt Hanson, Chief Civil Deputy County Attorney, presented this item. Mr. Hanson gave the background and stated that after the Board approved to join the ECO at their September 15, 2015 meeting the group decided that it would not be fair for Cochise County to take part of the money collected before they joined the group in case the group disbanded, but the County would be included going forward.

Vice-Chairman English moved to approve a letter to Eastern Arizona Counties Organization (ECO) disclaiming Cochise County participation in Existing "Equity". Supervisor Searle seconded the motion.

Chairman Call called for the vote and it was approved 3-0.

17. Approve the revised and restructured Cochise County Organization Chart.

Mr. James E. Vlahovich, County Administrator, presented this item. Mr. Vlahovich gave a brief discussion on why the change was necessary and listed the main changes:

- Current org chart does not adequately allow us to address issues facing the county – budget/decreased revenues and talent advancement/retention – also, it created silos and was not efficient.
- Proposed org chart establishes five functional areas (financial services, community development services, internal services, public support services and legal services) and groups similar departments within those functional areas.
- Other counties have set up similar organizational frameworks.
- All appointed directors, with the exception of Finance and Elections, come under the Deputy County Administrator.
- The County Administrator will continue to be the liaison to all elected officials.

- This new structure will enhance teamwork and communication, eliminate silos, address succession planning issues (most of the administrators will retire in 3 to 5 years), combine/centralize some duties within functional areas to allow for cross training and allow sages/administrators to move up in the organization to assist in running the County.
- Have identified five “administrators” who have expressed an interest in and maintain the bandwidth to take on more responsibilities.
- Specific responsibilities will be to mentor Department Directors within their respective areas with emphasis on department-head level functions (personnel management, budget and financial management, County policy review and implementation, etc).
- The County will also be establishing a business manager function in each of these areas.
- The County has met with the administrators on several occasions and they are ready to take this on; we’re proposing a 15% Special Work Assignment to reflect these additional responsibilities; approximate cost is \$70,000.

Mr. Vlahovich showed the draft of the new proposed organization chart and went over the steps taken to inform all parties involved of the proposed changes. He also brought up the issue of the public defender's concern regarding ethical/legal issues with putting the legal defender in charge of the legal services team.

Supervisor Searle said he supported Mr. Vlahovich's proposal because the goals make sense and he feels the new structure will address silos.

Vice-Chairman English expressed her concerns for the new structure, but said she would give Mr. Vlahovich an opportunity to try something new and show the Board that the structure will work for the County.

Chairman Call said that he thought this structure would address succession planning and will put the County in a good position moving forward.

Supervisor Searle moved to approve the revised and restructured Cochise County Organization Chart. Vice-Chairman English seconded the motion.

Chairman Call called for the vote and it was approved 3-0.

18. Approve the over-the-counter sales of tax deed properties remaining unsold following the July 2015 online tax deed land auction and subsequent over-the-counter sales, as set forth in the attached Exhibit A, plus related administrative fees.

Supervisor Searle recused himself from this item because his son was one of the bidders.

Ms. Arlethe G. Rios, Clerk of the Board, presented this item. Ms. Rios stated that she had received five bids on 24 of the properties remaining unsold parcels. She noted that the bids from Klump Ranches and Mr. Jason V. Searle were lower than the minimum bid because the bidders felt that the land was not very valuable and wanted the Board to consider the lower bids. She added that the five OTC bids had been received and were reflected on the attached report; in addition, the bidders would pay a \$75 administrative fee totaling \$4,663 (\$4,288 for bids and \$375 in administrative fees - 5 bidders). She noted that a approval of this sale also included a payment made during the online auction that was received earlier in the month in the amount of \$352.39. The acceptance of these bids brought the total YTD sales to \$102,852.30 and there are 145 parcels remaining for sale.

Vice-Chairman English noted that accepting a lower bid gets the parcels back on the tax rolls, which positively impacts the residents of Cochise County.

Chairman Call called for the vote and it was approved 2-0-1 (Searle recused).

Clerk of Superior Courts

19. Approve an Intergovernmental Agreement (IGA) between the Arizona Department of Economic Security (ADES) and the Clerk of the Court for Cochise County for \$73,030 annually to assist with the costs of processing IV-D case files for the period of October 1, 2015 through September 30, 2020.

Mr. Kenny Reeves, Deputy Clerk of the Court, presented this item. Mr. Reeves gave the background and said that the program would enhance the ability to process family support related payments by allowing the Clerk's Office to hire two full time personnel.

Mr. Vlahovich said he had no concerns and accepting this agreement made sense.

Vice-Chairman English said that she wanted the Clerk's office to ensure that the people hired know that this is grant funded, so if the grant is not renewed they would lose their jobs.

Supervisor Searle moved to approve an Intergovernmental Agreement (IGA) between the Arizona Department of Economic Security (ADES) and the Clerk of the Court for Cochise County for \$73,030 annually to assist with the costs of processing IV-D case files for the period of October 1, 2015 through September 30, 2020. Vice-Chairman English seconded the motion.

Chairman Call called for the vote and it was approved 3-0.

Community Development

20. Approve a permit fee waiver request in the amount of \$3,379 for the City of Douglas for the Wastewater Treatment Plant Solar Project, parcel 401-31-002E.

Mr. Mike Izzo, Building Official, Planning & Zoning Division, Community Development, presented this item using a PowerPoint presentation. Mr. Izzo gave the background and said that the the total of the waiver was \$11,825.75 (\$8,446.75 for inspection fees and \$3,379 for plan reviews). He explained that the City had already done the inspections so the only waiver needed was for the plan reviews in the amount of \$3,379.

Vice-Chairman English added that this project would ultimately impact the annexation of several areas around Douglas, which would positively impact County residents because they would annex Bayacres.

Mr. Britt Hanson, Chief Civil Deputy County Attorney, said that the inspection fees were not incurred because the City of Douglas had conducted their own inspections.

Supervisor Searle asked if the City of Douglas would have to pay any fees if this waiver was approved.

Mr. Hanson said that the City would not have to pay any fees.

Vice-Chairman English moved to approve a permit fee waiver request in the amount of \$3,379 for the City of Douglas for the Wastewater Treatment Plant Solar Project, parcel 401-31-002E. Supervisor Searle seconded the motion.

Chairman Call called for the vote and it was approved 3-0.

21. Approve an Intergovernmental Agreement (IGA) between the City of Benson and Cochise County for Planning Services and Building Inspections effective October 20, 2015 with annual renewal options.

Ms. Jesse Drake, Senior Planner, Planning & Zoning Division, Community Development, presented this item. Ms. Drake said that if this IGA was approved County staff would be taking over this function from the City of Benson and noted how the agreement would work for County staff depending on the type of projects City of Benson was working on.

Supervisor Searle said that he thought partnering with cities to help serve countywide constituents was a positive move.

Mr. Izzo said that the City had not done many new projects within the last couple of years, so accommodating their needs with current County staff should not be a problem.

Supervisor Searle moved to approve an Intergovernmental Agreement (IGA) between the City of Benson and Cochise County for Planning Services and Building Inspections effective October 20, 2015 with annual renewal options. Vice-Chairman English seconded the motion.

Chairman Call called for the vote and it was approved 3-0.

Court Administration

22. Approve a request for update in security, workstation improvements and kitchen/jury room upgrades.

Judge Bruce Staggs, Justice of the Peace, Benson, presented this item. Judge Staggs gave the reasons why he had not come to the Board before moving forward with the process and noted that he was not aware that Board approval was required. He apologized to the Board and listed the upgrades that would be made. He also noted that court enhancement funds would be used, not general fund monies.

Supervisor Searle said that the building did need the work.

Chairman Call said that an apology was considerate and not necessary and he appreciated the work Judge Staggs was doing regarding the public and his staff.

Judge Staggs brought up some other budget issues.

Mr. Hanson noted that the Board could not discuss something not specifically noted in the agenda.

Judge Staggs apologized and said he would discuss further with the County Administrator.

Vice-Chairman English amended the motion to read: approve a request for update in security, workstation improvements and kitchen/jury room upgrades not to exceed \$45,000 and paid from court enhancement funds. Supervisor Searle seconded the motion.

Chairman Call called for the vote and it was approved 3-0.

CALL TO THE PUBLIC

Chairman Call opened the call to the public.

No one chose to speak and Chairman Call closed the call to the public.

This is the time for the public to comment. Members of the Board may not discuss items that are not specifically identified on the agenda.
