## ***PUBLIC HEARINGS***

### **Board of Supervisors**

8. Adopt Resolution 16-07 granting a Telecommunications Services Franchise to Valley Telephone Cooperative, Inc.

Mr. Britt Hanson, Chief Civil Deputy County Attorney, presented this item. Mr. Hanson gave the history of franchise agreements and noted that all was in order for this franchise to be approved.

Chairman Searle opened the public hearing.

No one chose to speak and Chairman Searle closed the public hearing.

Supervisor English moved to adopt Resolution 16-07 granting a Telecommunications Services Franchise to Valley Telephone Cooperative, Inc., Vice-Chairman Call seconded the motion.

Chairman Searle called for the vote and it was approved 3-0.

9. Adopt Resolution 16-08 selecting project(s) and authorizing the submission of application(s) for Fiscal Year 2016-17 State Community Development Block Grant Funds.

Ms. Lisa Marra, Communications & Community Relations Director, presented this item using a PowerPoint presentation. Ms. Marra covered the requirements for this grant and stated that the total amount had been increased to \$231,778 with \$3,000 of it going to the South Eastern Arizona Governments Organization (SEAGO) for their fee. She added that 18 projects were requested, but nine projects were identified for consideration after direction from the Board and none of these would have to have an income survey done. She added that in the past Rural Accent/Bowie Food Bank could not be considered because they did not own the building they occupied, but they had purchased the building and now qualified to be considered. She clarified that if the Rural Accent project was chosen it would have to be fully funded. She noted that the City of Sierra Vista had agreed to enter into an Intergovernmental Agreement (IGA) to maintain the street lights if we funded this project since the County doesn't install or maintain streetlights and we have no Lighting District in Frytown. There could be an ongoing cost associated with this IGA.

Chairman Searle opened the public hearing.

Ms. Modestina Frascella, Rural Accent Food Bank, addressed the Board regarding her project and noted that the organization did own the building and although it already had some repairs done, it still needed major repairs to a wall that had water damage. She added that due to the area population it is difficult for them to qualify for smaller grants and this grant would be the only opportunity to get the funding that they need.

Ms. Stephanie Fulton, Elfrida Library Director, addressed the Board regarding her project. She gave statistics on the use of the library and their programs and explained how the project would enhance services to the citizens of Elfrida.

No one else chose to speak and Chairman Searle closed the public hearing.

Supervisor English said she would like to approve the Rural Accent project in the amount of \$30,000, the Frytown street light project in the amount of \$30,000 and the Children's Haven project in Huachuca City in the amount of \$128,000. She stated that at this time she would not recommend approval for the Elfrida Library project since the Board could only fund three projects.

Vice-Chairman Call said he would like to fully fund one program and thinks that the children's center project in Huachuca City is critical for the entire County.

Chairman Searle said that the Board could lower the administrative fee to 15% to add more money towards the projects. He added that he appreciated Supervisor English's support for projects in his district and would support the Rural Accent project, but also wanted to fund the children's center project and thought two projects would be good for the community and reasonable for staff time. He clarified that the Frytown street light project was not at a stage to move forward at this time due to unanswered questions about right of way access and other costs that could be incurred with lighting.

Vice-Chairman Call asked if Mr. Mike Rutherford, Children's Haven Owner, could comment on the funding proposed for his project.

Mr. Rutherford, said that the proposed funding would allow his organization to address the arson damage, but would not be enough to furnish the building in order to begin operations and become a shelter for children who had nowhere to go. He stated partial funding would only bring the building to the level it was pre-arson and that additional construction repairs

would be needed.

Supervisor English asked if there would be assistance by an insurance company to address some of the costs.

Mr. Rutherford said that he had only purchased the building recently and had not purchased insurance when the arson incident occurred.

Chairman Searle moved to adopt Resolution 16-08 selecting the Rural Accent project in the amount of \$30,000 and the Children's Haven project in the amount of \$175,000 and an administrative fee of no more than 15% and authorizing the submission of application(s) for Fiscal Year 2016-17 State Community Development Block Grant Funds. Supervisor English seconded the motion.

Chairman Searle called for the vote and it was approved 3-0.

## ***ACTION***

### **Elections & Special Districts**

10. Approve Election workers for the March 22, 2016 Presidential Preference Election, as listed on the attached file.

Supervisor English moved to approve Election workers for the March 22, 2016 Presidential Preference Election, as listed on the attached file. Vice-Chairman Call seconded the motion.

Ms. Martha Rodriguez, Elections Coordinator, presented this item. Ms. Rodriguez said staff is working very hard to ensure that the presidential preference election is a success, especially with Ms. Katie Howard, Elections Director, being out.

Vice-Chairman Call asked about the poll workers in Portal.

Ms. Rodriguez said she would follow up and ensure there were poll workers in Portal to run the vote center.

Chairman Searle called for the vote and it was approved 3-0.

### **Human Resources**

11. Approve the funding for the proposed schedule of benefits and rates adopted by the Cochise Combined Trust (CCT) for Fiscal Year 2016-17.

Vice-Chairman Call moved to approve the funding for the proposed schedule of benefits and rates adopted by the Cochise Combined Trust Board for Fiscal Year 2016-2017. Supervisor English seconded the motion.

Mr. James E. Vlahovich, County Administrator, presented this item using a PowerPoint presentation.

He outlined the CCT FY 16/17 Plan Year Changes:

- Cost increases recommended between 5.6% and 11.2%
- Plan design changes resulted in 3% increase: \$304,128 Total (\$202,762 general fund (GF), \$101,366 special revenue fund (SRF))
- \$5.1 Million in County CCT Reserves (down from \$5.9 Million FY 14/15)

Medical:

- Increase Family Max Out-of-Pocket (OOP) from \$13,200 to \$13,700
- Increase Single Max Out-of-Pocket (OOP) from \$2,250 to \$3,000
- Increase Deductible from \$300/\$900 to \$350/\$1,050
- Increase ER Co-pay from \$75 to \$100
- Cover First Two TeleDoc Visits Per Person (\$0 Consultation Fee)

Prescription(Rx):

- Remove PPI's and Nasal Corticosteroids from Formulary (Available OTC)

Vision:

- Vendor Change from EyeMed to Ameritas

He said that the FY 16/17 Plan Year Benefits and Rates had been approved by CCT Board on January 27, 2016 at the annual planning meeting and his recommendation was for the County to absorb employee only medical increase and pass on rate increases for dependent medical and dental to employees.

Chairman Searle asked for the amount of the increases.

Mr. Vlahovich stated that the total amount for employee only medical rate increases would be \$304,128, but the General Fund would only be impacted by \$202,762; for dependent medical it would be \$69,917.40 (Employee/Child: \$10.38/monthly; Employee/Spouse: \$15.27/monthly; Employee/Family: \$22.47/monthly; and for dental it would be \$44,000.

Vice-Chairman Call asked about future increases.

Mr. Vlahovich said that he predicted health care costs would continue to increase, especially if the County's health trust had major medical incidents. He added that he would work with the trust to explore plan changes.

Chairman Searle said that the County had been absorbing medical rate increases is because County staff has not received raises during the past years and therefore could not support passing all increases to employees.

Supervisor English said that the County could not continue to absorb health care increases without impacting reserves.

Mr. Vlahovich suggested that if the Board wanted to absorb the dental rate increases, he suggested covering those with general fund/special revenue fund reserves.

Vice-Chairman Call withdrew the original motion and Supervisor English withdrew the second.

Supervisor English moved to approve the funding for the proposed schedule of benefits and rates adopted by the Cochise Combined Trust (CCT) for Fiscal Year 2016-17, with the exception of the dental insurance increase, which will be borne by the County's general/special fund reserves. Vice-Chairman Call seconded the motion.

Chairman Searle called for the vote and it was approved 3-0.

## **STATE & FEDERAL LEGISLATION**

12. Discussion and possible action regarding state and federal legislative matters, including but not limited to the items in the attached County Supervisors Association (CSA) Legislative Policy Committee (LPC) Agenda and the proposed State budget.

Supervisor English gave a brief update on legislative issues and there were no questions from the Board.

### **CALL TO THE PUBLIC**

Chairman Searle opened the call to the public.

Mr. Terry Couchenour, Bisbee resident, addressed the Board on the County's sick leave payout policy.

No one else chose to speak and Chairman Searle closed the call to the public.
