Lt. Curtis Wilkins, Sheriff's Office, said that the request for 90 cell phones was due to the outcome of a recent Public Records Request, where a deputy was forced to give his personal cell phone information because he had used that cell phone for work. He noted that employees should not have to share personal pictures and information because they do not have the proper equipment to perform their job duties and noted that the cost would be \$55,000 and would also cover cell phones for some attorneys.

Vice-Chairman Call said that the process had not been standardized to fit growing needs for business cell phones, but it is a need.

Mr. Ruben Miranda, Internal Services Administrator, said that facilities projects that were being deferred would not occur until next fiscal year.

Mr. Vlahovich said that he was recommending approval of all the requests.

Supervisor English asked if the remodel of the Sheriff's Office parking lot in Sierra Vista could be done this year.

Mr. Vlahovich said it could be.

Mr. Vlahovich said that a work session would be scheduled soon.

Mr. Norm Sturm, Emergency Services Coordinator, went over his request and said that the

system would be for project management and quick access to update emergency plans and noted that all costs would be subject to 50% reimbursement through State grants.

Mr. Eric Silverberg, Court Administrator, stated that the requests from the Courts would be helpful to better serve citizens and enhance efficiencies in the Court system.

Ms. Gina Florez, Jail Medical, Health & Social Services, said that the electronic records system would enhance productivity at the jail and give the nurses more time to tend to inmates by quickly inputting information electronically.

Chairman Searle asked what the total for all decision packages was.

Mr. Vlahovich said that the total was \$234,211 and noted that there would be no issues with the expenditure limitation.

Vice-Chairman Call amended the motion to approve the decision packages listed on exhibit A to include the remodel of the parking lot at the Sheriff's Office in Sierra Vista. Supervisor English seconded the motion.

Mr. Hilb gave the background on court security countywide and noted that filling this position would mean that the Bisbee Justice Court would be secured full time.

Mr. Silverberg added that the court funds would cover the salary completely and would not impact the general fund.

Supervisor English moved to approve hiring one additional Justice Court Security Officer and the purchase of related officer equipment with an estimated annual cost of \$41,588 to provide security for Bisbee Justice Court. Vice-Chairman Call seconded the motion.
